Dr. Martha A. Dawson
President

March 26, 2020

Dear NBNA Members and Partners:

As the situation around COVID-19 continues to rapidly unfold, the global economy finds itself in an unprecedented business environment. We know that many of our members and partners are actively engaged in the day-to-day of caring for very ill patients or facing the daily challenges of managing the needs of staff, patients and supplies during this unprecedented crisis in the United States.

Dr. (Hon) Millicent Gorham
Executive Director

The NBNA Board and Staff will continue to provide updates on the status of the 2020 Annual Conference at the Diplomat Hotel in Hollywood, Florida. *At this time, we are proceeding with the planning for this year's conference.*

Dianne Mance
Conference Services
Manager

We will continue to communicate with officials at the Diplomat Resort and Spa, the Ft. Lauderdale Convention and Visitors Bureau, and others who provide services for the conference. This will enable us to make informed decisions so that we may provide you with updates over the weeks ahead.

As a valued member and partner, NBNA is committed to keeping you informed during these challenging times.
